Struggling to get paid with a third-party application?

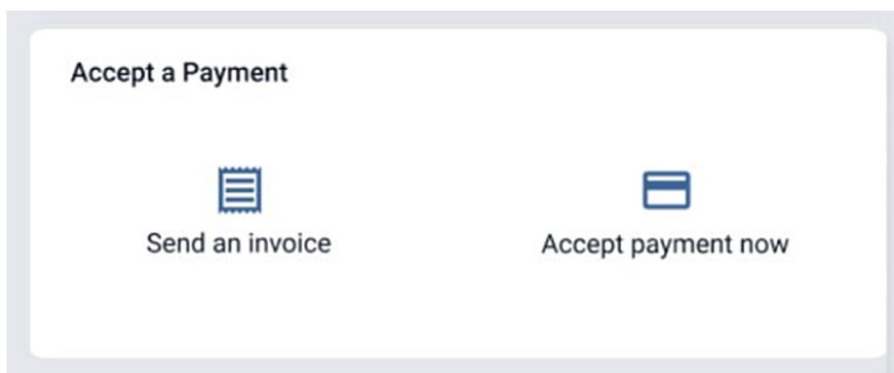

You don't need those anymore with our newest app feature!

Available now on the First Bank of Manhattan app dashboard: The ability to send an invoice or accept payments!

- Create & send invoices electronically - no waiting on snail mail
- Get paid directly into your bank account - no need to transfer your money from a third-party app
- Let people easily pay you online with credit card, debit card, or an electronic bank transfer
- Always know exactly who's paid and who's due
- Customize a professional-looking invoice with your business logo and colors

To start invoicing your customers today, log into the First Bank of Manhattan app and click the 'Send an invoice' button on your dashboard.

To start accepting payments, click the 'Accept payment now' and from there you can enter your customer's payment information to accept a credit card, debit card, or ACH payment or share your payment form link.

Assistance with Autobooks is available through in app support.
