This Agreement is entered into between First Bank of Manhattan and any customer of the Bank who subscribes to Internet Online Banking. The customer is referred to in this Agreement as "you" or "your." The Bank is referred to in this Agreement as "Bank," "we," "us," and/or "our." You should carefully read this Agreement before you use Internet Online Banking. If you use Internet Online Banking or permit another to use Internet Online Banking on your behalf, you agree to the terms and conditions stated in this Agreement. You must follow all of our instructions and procedures applicable to the services covered by this Agreement.

Account Agreements, Loan Agreements and Services

These terms and conditions are in addition to those that apply to any accounts you may have with us, loan or credit agreements, or any other services you obtain from us, including your signature card, the account and depositing disclosures, agreements, and fee schedules. If you have more than one account or other relationship with us, you may "link" the relationships together as we permit. As a holder of a joint account, you are jointly and severally liable under this Agreement. Each of you acting alone may perform transactions, obtain information, stop or change payments or transfers, terminate this Agreement or otherwise transact business, take actions or perform under this Agreement. We are not required to obtain the consent of, or notify any other of you. However, each of you will only be permitted to access accounts for which you are an owner or authorized user.

Each of you individually releases us from any liability and agrees not to make a claim or bring any action against us for honoring or allowing any actions or transactions where the person performing the action or transaction is one of you or is otherwise authorized to use your Internet Online Banking Account. Each of you agrees to indemnify us and hold us harmless from any and all liability (including, but not limited to, reasonable attorney's fees) arising from any such claims or actions.

If you want to include additional accounts on Internet Online Banking by opening a new account or including an account already opened at First Bank of Manhattan, call customer service at (815)-478-4611.

The Bank is not responsible for any errors or failures from any malfunction of your Computer or your software. The Bank is not responsible for any electronic virus or viruses that you may encounter. We encourage you to routinely scan your Computer, diskettes, and software using a reliable virus product to detect and remove any viruses found. The Bank shall have no liability to you for any damage or other loss, direct or consequential, which you may suffer or incur by reason of your use of your Computer or your software. **THE BANK MAKES NO WARRANTY TO YOU REGARDING YOUR COMPUTER OR YOUR SOFTWARE, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Access Devices

Prior to your first use of Internet Online Banking, you will be issued an online banking login ID and a temporary personal identification number (PIN). The Online ID and PIN collectively are referred to as the "Access Devices". You will need the Access Devices to gain access to Internet Online Banking. Use of the Access Devices is the agreed security procedure between you and the Bank. Keep your Access Devices confidential in order to prevent

unauthorized use and possible loss to your accounts, and to prevent unauthorized use of Internet Online Banking. Anyone to whom you give or disclose your Access Devices will have full access to your accounts, even if you attempt to limit that person's authority. If you forget your ID or PIN, you must contact the Bank to have new temporary access devices issued to you. It may take several days before you receive these Access Devices.

Security

The Bank is committed to the security of its customers' accounts and account information. Similarly, you must take every precaution to ensure the safety, security, and integrity of your accounts and transactions with Internet Online Banking. The following guidelines should assist you in these efforts:

- Do not give or disclose any part of your Access Devices to anyone, including any Bank employee, particularly while on the telephone, online, or while using the Internet.
- Do not leave your account information out in an open area accessible by others, including your Computer screen.
- Do not send your ID or PIN or privileged account information over any public or general e-mail system. You should realize that e-mail transmissions are not secure. Therefore, do not send us or ask us for confidential or sensitive information, such as your Access Devices (including your PIN), account numbers, or financial information over any general or public e-mail system.
- Do not leave your Computer unattended while you are connected to Internet Online Banking.

This Agreement is entered into between First Bank of Manhattan and any customer of the Bank who subscribes to the FBM Bill Pay (iPay) service through Internet Online Banking. The customer is referred to in this Agreement as “you” or “your.” The Bank is referred to in this Agreement as “Bank,” “we,” “us,” and/or “our.” If you use the FBM Bill Pay (iPay) Service or permit another to use the FBM Bill Pay (iPay) Service on your behalf, you agree to the terms and conditions stated in this Agreement. You must follow all of our instructions and procedures applicable to the services covered by this Agreement.

The terms and conditions of this agreement are in addition to the account agreements, disclosures and other documents in effect from time to time governing your account. An account that requires two or more signatures to make withdrawals may not be designated as a Bill pay Account. Only payments to payees within the United States will be permitted. While most payments can be made using the FBM Bill Pay (iPay) Service, the Bank reserves the right to refuse to pay certain payees.

Fee Schedule

Currently, there are no fees to use the FBM Bill Pay (iPay) service. However, additional features, such as the use of Expedited Payments or Charitable Donation or Gift Checks will be billed accordingly.

Fees:

Charitable Donation	\$1.99
Gift Check	\$2.99
Overnight Delivery	\$19.95
2 nd Day Delivery	\$14.95

The Bill Paying Process

Single Payments – A single payment will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment’s processing date, provided the payment is submitted prior to the daily cut-off time on that date. You must set the payment date to at least five (5) business days prior to the date you wish the payment to reach the merchant for check payments and two (2) business days prior for electronic payments. Any payment set up prior to 2:00PM CST will be processed on the current business day. It is your responsibility to authorize your bill payments in such a manner that your bills are paid on time. You are responsible for any late payment or finance charges that may be imposed as a result of your failure to transmit payment instructions in advance as outlined above.

A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment’s processing date, the payment will be processed on the first business day following the designated processing date.

Recurring Payments – When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

If the recurring payment’s “**Pay Before**” option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date. If the recurring payment’s “**Pay After**” option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, then the last calendar day of that month is used as the calculated processing date.

If you experience a payment problem, contact the Bank at 815-478-4611 or the FBM Bill Pay (iPay) Customer Support at 866-317-1519.

The system will calculate the Estimated Arrival Date of your payment. This is only an estimate, so please allow ample time for your payments to reach your “Payees”.

Canceling a Payment or Issuing a Stop Payment

A bill payment can be changed or cancelled any time prior to the cutoff time on the scheduled processing date. Instructions to stop a payment on or after the cutoff on the processing date will be accepted for **check payments only** and must be given to us by telephone or in writing. If you contact the Bank by telephone, we will require that the request be put in writing and received by the Bank within 14 days of your call. You will be charged \$30 for each stop payment.

Available Funds

When you have entered and transmitted a payment instruction, you authorize the Bank to reduce the balance of your designated account accordingly. Funds for payments of electronic items are deducted from your account on the day specified by you. Funds for payments by paper check will be withdrawn from your account on the day the item is actually presented for payment. If there are insufficient funds in the designated account to make payment you have authorized, the Bank may either refuse to pay the item or it may make the payment and thereby overdraw the designated account. In either event, you are responsible for any overdraft charges the Bank may impose, as stated in the Deposit Agreements. The Bank reserves the right to refuse to honor payment requests that reasonably appear to the Bank to be fraudulent, incomplete, erroneous, or if you do not follow the Bank's instructions for FBM Bill Pay (iPay). In addition, the Bank will not be able to execute any bill payment if the payee cannot or will not accept such payment.

Liability

- You are solely responsible for controlling the safekeeping of and access to your Personal Identification Number (PIN).
- If you want to terminate another person's authority to use the Bill Pay service, you must notify the Bank and arrange to change your PIN.
- You will be responsible for any bill payment request you make that contains an error or is a duplicate of another bill payment.
- The Bank is not responsible for a bill payment that is not made if you did not properly follow the instructions for making a bill payment.
- The Bank is not liable for any failure to make a bill payment if you fail to promptly notify the Bank after you learn that you have not received credit from a "Payee" for a bill payment.
- The Bank is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be the Bank's agent.

Amendment

The Bank has the right to change this agreement at any time by notice mailed to you at the last address shown for the account on the Bank's records, by posting notice in branches of the Bank, or as otherwise permitted by law.

Termination

The Bank has the right to terminate this agreement at any time. You may terminate this agreement by written notice to the Bank. The Bank is not responsible for any fixed payment made before the Bank has a reasonable opportunity to act on your termination notice. You remain obligated for any payments made by the Bank on your behalf.
